SUBJECT.

Collection of rents for the occupations of Musafirkhanas by Govt Officials and private persons

No 23995-4003
L 776-94

In their Proceedings of 24.6.95 the Govt requested the Dy Comrs of Dts to report whether in their opinion rent should be collected and if so at what rates from Govt Officials and private persons for occupying musafirkhanas on rare occasions.

The following are the replies from the Dy Comrs

1 Bangalore No. 584 of 27.12.95

The DC Bangalore is not in favor of collecting rents from any person for occupying Musafirkhanas as the majority of occupants are too poor to pay any thing. The owners

officers consulted are stated to be of the same opinion as the Ld Com[rs].

The Secretary considers that no fee should be levied for the occupation of the intermediate stations by the travelling public as such a system would frustrate the object to which intermediate stations are constructed and recommends the levy of a fee of 4 as per diem from Govt servants drawing Rs 100 per mensem and upwards and a similar rate from other persons for each halt exceeding 3 days.

The Secretary submits the following resolution for Rs. 35 at a meeting held on 2nd inst 95

I Occupation of intermediate stations for the first 3 days to be free.

II Occupation beyond 3 days to be charged @ 4 as per diem per passing whether the occupant be a Govt servant or a private person.

III Total stay not to exceed 15 days, beyond which time no occupation to be allowed

Total 10.8 / 2.6 = 4 : 5

3 allowed under any circumstances.

IV A book to be kept by the Superintendent of the Musafirkhana, wherein the ~~occupant~~ person paying the rent should enter his name, duration of occupation & the amount paid by him. ~~&~~

Mysore no 69 of 19.7.95 The Govt of Mysore states that as Musafirkhanas are intended to be free caravanseries for travellers it seems unnecessary to levy any fee for the occupation thereof.

Hassan 142 of 3.8.95 The Govt of Hassan thinks that the levy of fees would exclude poor persons from occupying Musafirkhanas, which were primarily intended for such poor men ∧ and ~~for~~ lead to ~~the~~ their being practically monopolized by ~~the~~ first officials & well to do travellers for whom Travellers Bungalows exist all over the State.

Shimoga 89/73 of 25/7/95 The Govt of Shimoga is of opinion that rent may be recovered from Govt Officials and private persons for occupying Musafirkhanas in exceptional cases

which fixes the monthly rent at ½ per cent

occupation of only a part of the building

Sir

I have the honor to state that under circular No. 152 † dated 10th December 1887, issued by the Secretary to the Government of Mysore P.W.D, Musafir Khanas have to be maintained by the Deputy Commissioner and not by the P.W.D. Under Proceedings of Government No. 15602-11 & 7. 322-92 † dated 19th March 1894, the establishment and maintenance charges of all Musafirkhanas are debitable to District Funds. In these circumstances, the undersigned is of opinion that the control over such buildings needs with

If without causing any inconvenience to travellers, portions of such buildings could on rare and special occasions, be allowed to be occupied by any Government Official or private person, the Deputy Commissioner deems to be the proper authority for granting such permission. But a question having now arisen, as to whether para 5 of the Proceedings of Government (P.W.) Cases occur in which owing to exceptional circumstances an official of Government or even a private person is permitted by the
